## Index to Volume 48, 1994

### Authors

- Boardman, DP:** Weight Loss and its relationship to age—A myth or mystery? *Spring, p. 15*
- Croce, R:** A preliminary investigation into the effects of exercise duration and fitness level on problem solving ability in individuals with mild mental retardation. *Fall, p. 48*
- Deutsch, H:** see Hamilton, N. *Fall, p. 55*
- Dolbow, D:** Methicillin-resistant staphylococcus aureus. *Fall, p. 61*
- Drowatzky, JN:** see Stender, BL. *Spring, p. 10*
- Edwards, GB:** Survey of kinesiotherapists (Abstract only). *Winter, p. 93*
- Figoni, SF:** Development of a hybrid exercise system for spinal cord injured individuals (Abstract only). *Winter, p. 93*
- Figoni, SF:** Peak physiologic responses of trained quadriplegics during arm, leg, and hybrid exercise in upright and reclined postures (Abstract only). *Winter, p. 94*
- Figoni, SF:** Training effects of upright hybrid exercise on peak physiologic responses in quadriplegics (Abstract only). *Winter, p. 95*
- French, R:** see Landrieu-Seiter, M. *Winter, p. 69*
- Glaser, RM:** see Figoni, SF. *Winter, p. 93*
- Glaser, RM:** see Figoni, SF. *Winter, p. 94*
- Glaser, RM:** see Figoni, SF. *Winter, p. 95*
- Gustafson, P:** The role of diet and exercise in the modification of body composition in obese women. *Summer, p. 33*
- Hamilton, N:** Quadriceps muscle group activity related to hip angle and load. *Fall, p. 55*
- Horvat, M:** see Croce, R. *Fall, p. 48*
- Jansma, P:** see Yi-Ning, MA. *Summer, p. 24*
- Kleeman, M:** Relationship between physical fitness levels and attitudes toward physical education in a visually impaired population. *Summer, p. 29*
- Landrieu-Seiter, M:** Influence of video and music reinforcement on strength exercise performance by nonambulatory children who are profoundly mentally retarded. *Winter, p. 69*
- McHugh, E:** The role of aquatic programs in facilities serving children with physical disabilities. *Winter, p. 83*
- Meetz, RE:** see Suomi, R. *Spring, p. 4*
- Porretta, DL:** see Yi-Ning, MA. *Summer, p. 24*
- Rimmer, JH:** see Kleeman, M. *Summer, p. 29*
- Roswall, G:** see Croce, R. *Fall, p. 48*
- Silliman, LM:** see Landrieu-Seiter, M. *Winter, p. 69*
- Stender, BL:** Joint position sense in subjects with total hip replacements: The possible role of muscle afferents. *Spring, p. 10*
- Suomi, R:** Effect of different fields of vision on performance of a dynamic equilibrium task. *Spring, p. 4*
- Surburg, PR:** see Suomi, R. *Spring, p. 4*
- Thorpe, JL:** see Weber, R.C. *Winter, p. 86*
- Tynan, D:** see Landrieu-Seiter, M. *Winter, p. 69*
- Weber, RC:** Research in adapted physical activity and the case study. *Winter, p. 86*
- Yi-Ning, MA:** Microcomputer use in adapted physical education: Ohio perspectives. *Summer, p. 24*

### Subjects

#### Aquatics

programs for children with physical disabilities; *Winter, p. 83*

### Subjects

#### Aquatics

programs for children with physical disabilities; *Winter, p. 83*

**Balance**

vision fields and dynamic equilibrium tasks; *Spring*, p. 4

**Case Study**

research in adapted physical activity; *Winter*, p. 86

**Diet**

role in modification of body composition; *Summer*, p. 33

**Exercise and Fitness**

effects on problem solving; *Fall*, p. 48

relationship between levels and attitudes; *Summer*, p. 29

role in modification of body composition; *Summer*, p. 33

**Hybrid Exercise System**

development of . . . for spinal cord injuries; *Winter*, p. 93

peak physiologic responses of quadriplegics; *Winter*, p. 94

training effects of in quadriplegics; *Winter*, p. 95

**Joint Position**

in subjects with total hip replacements; *Spring*, p. 10

**Kinesiotherapists**

survey of; *Winter*, p. 93

**Microcomputer**

use in adapted physical education; *Summer*, p. 24

**Quadriceps**

activity related to hip angle and load; *Fall*, p. 55

**Staphylococcus Aureus**

methicillin-resistant; *Fall*, p. 61

**Strength**

influence of video and music reinforcement on; *Winter*, p. 69

**Weight Loss**

relationship to age; *Spring*, p. 15
